**Provision of General Consultancy to Merge Water and Wastewater  
master plans**

**Brief Scope of Work**

Having completed the merger, the Company is now looking to appoint an experienced consultant to assist with merging and updating the water and wastewater masterplans. The previous masterplans were previously developed utilizing similar underlying assumptions. The Consultant will be tasked with reviewing both plans, merging and updating them into one Integrated Master Plan (IMP) for the whole of Oman excluding Dhofar and Duqm.
