|--|---|---|---|--|
| <b>Goods</b>                                     |   |   |   |  |
| ◆ Aeration Equipment                             | ◆ Filter Housings                           | ◆ MBR Systems   | ► <b><u>Metal Products</u></b>            | ► <b><u>Paper Tubes</u></b>            |
| ◆ Arsenic Removal Systems                        | ◆ Filtration Media                          | ◆ Membranes   | ◆ Bale wire                               | ◆ Paper Tube                           |
| ◆ Automation Control Systems                     | ◆ Fittings                                  | ◆ Membranes Reverse Osmosis                             | ◆ MS drums                                |  |
| ◆ Bag Filters & Cartridges                       | ◆ Fluoride Removal Systems                  | ◆ Mineral Water Plant                                   | ► <b><u>Wooden Pallets</u></b>            |  |
| ◆ Blowers  | ◆ Filter Presses                            | ► <b><u>Rigid Plastic Products</u></b>                  | ◆ Wooden Pallet                           |  |
| ◆ Bar Screens                                    | ◆ Filtration Plants                         | ◆ Blow molded Products                                  | ► <b><u>Water</u></b>                     |  |
| ◆ Clarifiers                                     | ◆ Heat Exchangers                           | ◆ Injection Molded Products                             | ◆ Water Conservation Devices              |  |
| ◆ Chlorinators                                   | ◆ Iron Removal Systems                      | ◆ Ink   | ◆ Water Purifiers                         |  |
| ◆ Cooling Towers                                 | ◆ Level Controllers                         | ◆ PET/PP straps   | ◆ Water Storage Tanks                     |  |
| ◆ Diffused Aeration Systems                      | ◆ Membrane Diffusers                        | ◆ Stretching thread                                     | ◆ Water Testing Equipment's / Kits        |  |
| ◆ Demineralization Plant                         | ◆ Membranes Nan filtration                  | ◆ Thermo formed/ vacuumed formed products               | ◆ Water Testing Labs                      |  |
| ◆ Effluent Treatment Plants                      | ◆ Membranes Ultra filtration                |   | ► <b><u>Other Packaging materials</u></b> |  |
| ◆ Evaporators                                    | ◆ Misting Systems and Misting Pumps         |   | ◆ Packaging Materials                     |  |
| <b>Services</b>                                  |   |   |   |  |
| ► <b><u>Hiring of construction equipment</u></b> | ► <b><u>Hiring of manpower services</u></b> | ► <b><u>Hiring of material handling equipment's</u></b> | ► <b><u>Hiring of tanks</u></b>           | ► <b><u>Operations</u></b>             |
| ◆ Hiring Air Compressor                          | ◆ Hiring Civil Manpower                     | ◆ Hiring of Cranes                                      | ◆ Hiring Off Shore Tank                   | ◆ Bagging & packing                    |
| ◆ Hiring Transit Mixer                           | ◆ Hiring Clerical staff                     | ◆ Hiring of Forklift                                    | ◆ Hiring Onshore Tank                     | ◆ Catalyst loading & Unloading         |
| ◆ Hiring dewater pump                            | ◆ Hiring Elect manpower                     | ◆ Hiring of Tipper                                      |   | ◆ Chemical Cleaning                    |
| ◆ Hiring of A/C                                  | ◆ Hiring IT/SW manpower                     | ◆ Hiring of Tractor                                     |   | ◆ Chemical charging & dosing           |
| ◆ Hiring of DG Set                               | ◆ Hiring Instrumentation Manpower           | ◆ Hiring of Trailers                                    |   | ◆ Effluent treatment plant Maintenance |
| ◆ Hiring of Earth work Equipment's               | ◆ Hiring Marine manpower                    | ◆ Hiring of Trucks / Tempo                              |   | ◆ Effluent treatment plant Operation   |
|  | ◆ Hiring Mechanical manpower                |   |   | ◆ Fiber Process.                       |
|  | ◆ Hiring Medical staff                      |   |   | ◆ Packing Operation                    |
|  | ◆ Hiring of Consultant                      |   |   | ◆ Utility Process.                     |
|  | ◆ Hiring of liftmen                         |   |   | ◆ Warehousing Jobs                     |
|  |   |   |   | ◆ Water Treatment Servicing            |
|  |   |   |   | ◆ Cooling tower Maintenance            |
|  |   |   |   | ◆ Pump Sewage Cleaning                 |
|  |   |   |   | ◆ Process Tanks Cleaning               |
